Faith Hill, Where You Lead

From " Tapestry Revisited" (Carole King/Toni Stern) Wanting you the way I do I only want to be with you And I would go To the ends of the earth Cause, darling To me that's what You're worth Where you lead, I will follow Anywhere that you tell me to If you need, you need me to be with you I will follow where you lead If you're out on the road Feeling lonely, and so cold All you have to do is call my name And I'll be there on the next train Where you lead, I will follow Anywhere that you tell me to If you need, you need me to be with you I will follow where you lead I always wanted a real home With flowers in the window sill But if you want to live in New York City Honey, you know I will I never thought I could get satisfaction From just one man If anyone can keep me happy You're the one who can Where you lead, I will follow Anywhere that you tell me to If you need, you need to be with you I will follow Where you lead, I will follow Anywhere that you tell me to If you need, you need to be with you I will follow where you lead Oh, yes I will Oh, I'm gonna follow where you lead I'm gonna follow where you lead Oh, I'm gonna follow where you lead I will follow I will follow Oh, yes I will
