

Faithless, Hour Of Need (Skinny Mix)

You know that I'm foolish, playing king for a day
I hang with my people whenever I can.
You say that I'm scruffy, misguided and blue,
like a fly on a string.
There's a web that surrounds you, but I will
find a way in.
Yeah, in your hour of need I'll be there, yes I will.
Yeah, in your hour of need I'll be there, yes I will.

You lay a place at your table, let me sleep in your bed
Yeah you hurt and confused me, but your my queen for a
day

I know I'm foolish, harsh and unfair
'Cause in my hour of need, I know you've always been
there

And in your hour of need I'll be there, yes I will
In your hour of need I'll be there, yes I will
I'll be there, yes I will
In your hour of need I'll be there, yes I will [3x]
