

# Faithless, I Want More Part 2

[Nina Simone]

I want more

I want some

And then some

And do you know what I wanna hear?

I want more

I want some more

And then some

I want more [3x]

You know how I love that stuff

I want more [3x]

[Maxi Jazz]

I want more

[Nina Simone]

I want more

The waiting's been so long, so long.

I want more

Been so long

[Maxi Jazz]

I want more

More oneness, less categories,

Open hearts, no strategies.

Decisions based upon faith and not fear.

People live right now and right here.

I want the wisdom that wise men revere.

[Maxi Jazz & Nina Simone]

I want more [4x]
