

Faker, Hurricane

I stand in line
That kid's not right
Some line of sight
Still got the hype

Hurricane's gone to school
La la la, ooh la la la, ooh la la la
Hurricane breaks the rules
La la la, ooh la la la, ooh la
Hurricane makes it good
La la la, ooh la la la, ooh la la la
Hurricane knew you would
Knew you would, yeah knew you would

I've got new shoes
Intelligence included
I fit right in
Still I somehow feel deluded

Cause Hurricane's gone to school
La la la, ooh la la la, ooh la la la
Hurricane breaks the rules
La la la, ooh la la la, ooh la
Hurricane makes it good
La la la, ooh la la la, ooh la la la
Hurricane knew you would
Knew you would, yeah knew you would

Ooh la la la, ooh la la la, ooh la
Hurricane makes it good
La la la, ooh la la la, ooh la la la
Hurricane knew you would
La la la, ooh la la la, ooh la
Hurricane knew you would
Knew you would, yeah knew you would

I've got bad news
I've never been included
I try too hard
Still I somehow feel deluded

Cause Hurricane's gone to school
La la la, ooh la la la, ooh la la la
Hurricane breaks the rules
La la la, ooh la la la, ooh la
Hurricane makes it good
La la la, ooh la la la, ooh la la la
Hurricane knew you would
Knew you would, yeah knew you would

Ooh la la la, ooh la la la, ooh la
Hurricane makes it good
La la la, ooh la la la, ooh la la la
Hurricane knew you would
La la la, ooh la la la, ooh la
Hurricane knew you would
Knew you would, yeah knew you would
