

# Falco, No Answer (Hallo Deutschland)

I got up this morning felt so bad  
It's weird, really feel out of whack  
I got the urge to call home and I  
Go to the hook and pick up the phone, sayin' -  
Just wanted to say to all my friends  
"Calling West-Berlin,  
Where all those roads lead to an end  
Germany am I getting through ?  
Something's up I need to talk to you.

Hallo Deutschland hrt ihr mich ?  
Via Satelliten hrt ihr mich ?  
Hallo, hallo Deutschland hrt ihr mich ?  
Ist da jemand oder tusch' ich mich ?"

A cup of coffee, cigarette baiting time  
And I'm still hanging on that line  
Ringin' up that girl can't be too soon  
Saying hey, hey wakeup darling it's afternoon  
Got still no answer no reply  
Gotta give it one last try  
Operator I count on you  
(Overseas operator, may I help you ?)  
You're the one to put me through

Hallo Deutschland ...

Let me know

Hallo Deutschland hrt ihr mich  
"(repeat til fade)"
