

# Falconer, Delusion

Grasp your sword so blindly  
Time is in for holy war  
In the sign of a fairy tale  
You sacrifice your precious life

Yield to the nonsense  
Yield to the dogmatic scheme  
Kneel down embrace it  
Indoctrination supreme

What is your inner holy delusion?  
Will stupidity be canonized?  
Would the Prophet or the Messiah  
Then really welcome you in?

On a mission of evil  
By a dreamer sanctified  
Non believers shall suffer  
For not believing the same lie

Yield to the nonsense  
Yield to the dogmatic scheme  
Kneel down embrace it  
Indoctrination supreme

What is your inner holy delusion?  
Will stupidity be canonized?  
Would the Prophet or the Messiah  
Then really welcome you in?
