

# Fall Out Boy, Headfirst Slide Into Cooperstown O

Mr. Sandman showing his beam  
When he walks into the room the walls lean in to listen  
Surfed out brain waves flick back and forth  
Like old headlights sniffing model glue again

Head like a steel trap  
Wish I didn't I didn't I didn't I didn't I didn't I didn't I didn't  
I don't just want to be a footnote in someone else's happiness

Does your husband know the way  
That the sunshine gleams from your wedding band?  
Does he know the way  
Does he know the way  
Of the crickets that would convince me to call it a night?

But I will never end up like him  
Behind my back I already am  
Keep a calendar, this way you will always know

The last time you came through  
Oh darling, I know what you're going through  
The last time you came through  
Oh darling  
Oh darling  
Oh darling

Aw  
Tempest in a teacup, get unique  
Peroxide princes shine like shark teeth  
It's a sign "(it's a sign)"  
It's a sign "(it's a sign)"  
It's a sign-what if you peaked early?

Does your husband know the way  
That the sunshine gleams from your wedding band?  
Does he know the way  
Does he know the way  
Of the crickets that would convince me to call it a night?

Does he  
Does he know the way I worship our love?  
Does your husband know the way  
That the sunshine gleams from your wedding band?

But I will never end up like him  
Behind my back I already am  
Keep a calendar, this way you will always know

The last time you came through  
Oh darling, I know what you're going through  
The last time you came through  
Oh darling  
Oh darling  
Oh darling

Does your husband know?  
Does your husband know?  
Does your husband know?  
Does he know, does he know, does he know? Oh, oh, oh

But I will never end up like him  
Behind my back I already am  
Keep a calendar, this way you will always know  
The last time you came through

Oh darling, I know what you're going through
