Falling In Reverse, Raised By Wolves

I was lost now I'm found I'm sustained by the sound Of the angels singing me to sleep While my feet are leaving the ground Am I dead? Or am I dreaming instead? A cornucopia of opiates have flooded my head

I'm insane, I am smart
All it takes, is a spark, to ignite my bad intentions
And do what I do best to your heart
Don't be fooled, I was raised by the wolves
Now the moon hangs in full, so you know I won't
Play by the rules

I will never spill Spill my blood for you You have let me down One too many times

Someway, somehow, we've fallen out Caught in between my enemies No way not now, I won't back down I draw the line at you and me You're what I started, now disregarded One day they'll see, it was always me

Due to mistakes, I have made to the state I am trapped inside a Dillinger Diligently thinking of ways to get out of this god awful place I have learned that my fate is something I can't escape so

Sound the alarm, what I've said from the start Is I'll never let your system break me down or tear me apart Don't be fooled, I was raised by the wolves Now the moon hangs in full, so you know I won't Play by the rules

I will never spill Spill my blood for you You have let me down One too many times

Someway, somehow, we've fallen out Caught in between my enemies No way not now, I won't back down I draw the line at you and me You're what I started, now disregarded One day they'll see, it was always me

Oh, this is the end of you This is where I draw the line And I won't lose This war is mine Oh!

Spill my blood for you One too many times

Someway, somehow, we've fallen out Caught in between my enemies No way not now, I won't back down I draw the line at you and me You're what I started, now disregarded One day they'll see, it was always me One day they'll see It was always me

It was always me
