

# Falling Up, Exit Calypsan (Into The Ice Cave)

This white blows, so softly  
The movement still is in my mind

This flag from, in Reedsport  
Will start to catch beneath the wind  
Catch beneath the wind

It's only in your dreams  
It's only in your dreams  
So exit the fall  
And now it's over  
It's only in your dreams

This flight comes, it's nameless  
The dark is calling out my name  
Escape with, no traces  
The movement burns inside my veins  
Burns inside my veins

It's only in your dreams  
It's only in your dreams  
So exit the fall  
And now it's over  
It's only in your dreams

By now the tide is here  
I thought I made it clear  
This is the threat, this is the fall  
This is the threat, this is the fall

All alone, all alone  
I am gone

And now it's over

It's only in your dreams  
It's only in your dreams  
So exit the fall  
And now it's over  
It's only in your dreams
