Fame Academy, Don't Speak

You and me We used to be together Every day together Always I really feel That I'm losing my best friend I can't believe this could be the end

It looks as though You're letting go And if its real well I don't want to know

(Chorus)

Don't speak I know just what you're saying So please stop explaining Don't tell me 'cause it hurts Don't speak I know what your thinking And I don't need your reasons Don't tell me 'cause it hurts

Our memories They can be inviting But some are altogether mighty Frightening

As we die Both you and I With my head in my hands I sit and cry

(Chorus) Don't speak I know just what you're saying So please stop explaining Don't tell me 'cause it hurts (no no no) Don't speak I know what your thinking And I don't need your reasons Don't tell me 'cause it hurts

Its all ending You gotta stop pretending Who we are

(Instrumental)

You and me I can see us dying Are we?

(Chorus)

Don't speak I know just what you're saying So please stop explaining Don't tell me 'cause it hurts Don't speak I know what your thinking And I don't need your reasons Don't tell me 'cause it hurts

(repeated till fades out)
