Fame Factory, 1.Turn & Walk Away

- Turn and walk away

We are alone here together I rather be by myself I thought that we be forever But you turn and walk away

I'm in a state of denial Tell myself I'm OK Putting our love on trial You turn & Denis Walk away

REF

And in my mind we are screaming and fighting I tell you things that I never would say

But when we get round to it You turn & amp; walk away

I tried to keep on believing Your feelings would never fade I know who I've been deceiving When you turn & Damp; walk away

REF:

And in my mind we are screaming and fighting I tell you things that I never would say And if you don't love me why can't you just hate me? So long as you feel something We'll find a way

Somehow you just don't get it As you turn & amp; walk away

//wailing//
