

Fame Factory, Beast - Sara O Martin

this is a sorry way
to say: i'm sorry
but i'm so tired of being tried
when i cry someone to cry
i lead you speech, lived without words,
words to speak.

I'm fool but steel i'm empty
on the shadow you see
deep in my dreams

i'm the beast in my dreams
i'm the beast in my dreams
i'm the beast in my dreams
i'm the beast in my dreams
ohohohohh
don't you know i'm the beast?

this is a learning excuse
to be excused
but i really need
to be needed needed needed
when i was lived here by myself
alolololone
i want to take nothing more
and to want you

I'm fool but steel i'm empty
on the shadow you see
deep in my dreams

i'm the beast in my dreams
i'm the beast in my dreams
i'm the beast in my dreams
i'm the beast in my dreams
ahhhh
don't you know i'm the beast?

don't you know i'm the
don't you know i'm the
don't you know i'm the beast?

don't you know i'm the
don't you know i'm the
don't you know i'm the beast?

don't you know i'm the
don't you know i'm the
don't you know i'm the beast?

don't don't don't...

don't you know i'm the
don't you know i'm the
don't you know i'm the beast?

I'm fool but steel i'm empty
on the shadow you see
deep in my dreams

i'm the beast in my dreams
