

Fame Factory, K

I don't wanna lose you
I don't wanna use you
just to have somebody by my side
But I don't wanna hate you
And I don't wanna take you
But I don't wanna be the one to cry
And It don't really matter
to anyone anymore
like a fool I keep losing my place
and I keep seeing you walk through that door

There's a danger in loving
somebody too much
and it's sad when you know it's your
heart they can't trust
there's a reason why people don't stay
where they are, baby sometimes love just
aint enough.

I could never change you
and I don't wanna blame you
baby, you don't have to take the fall
Yes, I may have hurt you
but i did not desert you
maybe I just wanna have it all
it makes it sound like thunder
it makes me feel like a rain
like a fool who will never see the truth
i keep thinking somethings gonna change

There's a danger in loving
somebody too much
and it's sad when you know it's your
heart they can trust
there's a reason why people don't stay
where they are, baby sometimes love just
aint enough.

And there's no way home
when it's late at night and you're all alone
all the things that you wanted to say
do you feel me beside you in you're bed
right beside you where i used to lay

There's a danger in loving
somebody too much
and it's sad when you know it's your
heart they can touch
there's a reason why people don't stay
who they are, baby sometimes love just
aint enough.

baby sometimes love just
aint enough.
