

# Fame Factory, Lately- Andr

Lately I've had the strangest feeling  
With no vivid reason here to find  
Yet the thought of losing you's been hanging  
Round my mind  
Far more frequently you're wearing perfume  
With you say  
'No special place to go  
'But when I ask, will you be coming back soon?  
You don't know, never know

Well, I'm a man of many wishes  
I hope my premonition misses  
But what I really feel  
My eyes won't let me hide  
Cuz they always start to cry  
Cuz this time could mean goodbye.

Lately I've been staring in the mirror  
Very slowly picking me apart  
Trying to tell myself I had no reason  
With your heart  
Just the other night while you were sleeping  
I vaguely heard you whisper someone's name  
But, when I ask you of the thoughts you're keeping  
You just say  
'Nothing's changed'

(2x)

Well, I'm a man of many wishes  
I hope my premonition misses  
What I really feel  
My eyes won't let me hide  
Cuz they always start to cry  
Cuz this time could mean goodbye
