

Fame Factory, Let It Be Me

I bless, the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me

Each time we meet love
I find complete love
Without your sweet love
What would life be

So never ever leave me lonely
Tell me you'll love me only
And that you'll always
Let it be me

To you i'll pray
Hear what i'm sayin
please let your heart beat for me for me just for me

Don't take this heaven from one
If you must cling to someone
Now and forever
Now and forever, now and forever
let it, let it, let it, let it, oh
