

Fame Factory, Lonely - Elin Hedberg

Never do the things that I said I would
Never do the things that I should
I'm sorry if I let some of you down
I will try to change

(Bridge)

'Cause I have been trough the tunnel
And I came out on the other side
And I've been hiding
What I have kept on the inside

(Chorus)

But it's lonely so lonely
Surrounded by a million people passing
It is lonely so very lonely
I ain't free to the day they saved me
Noo

So what if I'm slow this is who I am
I may come of cold I know
But first impressions does not always count
Don't expect it to

(Bridge)

(Chorus)

'Cause I can't change over night
I will have to take a long way
And I'm movin' down
Because this floor is to crowded ohh

It is lonely so lonely
Ohh no no no

And it is lonely so lonely
Surrounded by a million people passing
And it is lonely so lonely

No oh oh I wont be free
'Cause it's lonely so lonely
I'm surrounded by a million people passing

It is lonely oh so lonely
I ain't free to the day they saved me
I ain't free to the day I've been trough the tunnel
And I came out on the other side
