

Fame Factory, Never Say Goodbye

NEVER SAY GOODBYE
(Sethsson/G:son)
Mariann Songs/G:songs

If you give me your heart
I'll never tear it apart
I will comfort you
Give a love so true

Like a whispering child
Like a cry in the night
I can hear your call
I will give you all

I believe, in you and me
I swear I'll be by your side

I will never say goodbye
No matter how I try
My heart will always be with you 'cause
I'll do anything for you
Forever I'll be true
I promise I will never say goodbye

By the look in your eyes
I can see it tonight
You will always be
the one for me

Every beat of my heart
Every thought that I've got
It's all for you
It's all so true

I believe, in you and me
I swear I'll be by your side

I will never say goodbye

I know there'll never be another
No one I long for no more
And we will always be together
as one, as one

I will never say goodbye

I will never say goodbye

I will never say goodbye

I will never say goodbye
