

# Fame Factory, Stay (Karl Martindahl)

Stay, stay, stay, stay by me now  
don't walk away.

Stay, stay, stay, stay by me now  
don't walk away.

Loneliness can kill a guy  
baby please don't say goodbye  
Without you girl, I couldn't live  
stay by me,  
cause I got so much more to give.

Come on and  
stay, stay, stay, stay by me now  
don't walk away.

Stay, stay, stay, stay by me now  
don't walk away.

In your eyes i can see your pain.  
How can I make you smile again  
I will change my way to you.  
baby, there's only one thing I want you to do.

Comon and  
Stay, stay, stay, stay by me now  
don't walk away.

Stay, stay, stay, stay by me now  
don't walk away.

If you'll go I'll surely die  
cause loneliness can kill a guy  
In your hands you hold my heart  
baby, we should never be apart

Comon and  
stay, stay, stay, stay by me now  
don't walk away.

Stay, stay, stay, stay by me now  
don't walk away.
