

Fame Factory, What Did I Do - Ida Hedberg

I feel just like I am lost in time
A sudden move and I found
A new way in the crowd
Feel the sent of your beautiful skin
It helps

I saw the man on the moon pass me by
I tried to give him my kiss
But I started to cry
Feel just like I am lost in space
So tell me

What did I do?
What did I say?
That made you walk in mysterious ways
How would I know?
How far you would go
To help me hang on

You look at me in a different way
You look at me but you don't really know
What to say
Find a sense of despair within your soul

What did I do?
What did I say?
That made you walk in mysterious ways
How would I know?
How far you would go
To help me hang on

I am alone
I am all alone
You left me a stray
I say to you
What did I do? What did I say?

What did I do?
What did I say?
That made you walk in mysterious ways
How would I know?
How far you would go
To help me hang on

What did I do?
What did I say?
That made you walk in mysterious ways
How would I know?
How far you would go
To help me hang on

What did I do?
What did I say?
That made you walk in mysterious ways
How would I know?
How far you would go
To help me hang on
