

Fame, Hot Lunch

Shady Sadie (Shady Sadie)
serving lady (serving lady)
Don't pay her no mind, no
She'll take ev'ry dime
She's got a one-a-day lunch,
good for all the bunch, yeah.

HOT LUNCH, YEEAAHHH.

Macaroni and baloni, tuna fish, our favorite dish. Hot lunch, hey
If it's yellow, then it's jello. If it's blue, it could be stew, oo, oo.

She's got a one-a-day lunch,
good for all the bunch, hey now.

Hot, hot lunch, oh, oh, no
Yeah.
