

# Fame Musical, I Still Believe In Me

I thought i had it this time  
I thought the dream would be mine  
hoping to fly I thought  
oh how I just didnt care at all

coz when you dont care  
you dont cry  
it wont hurt if you dont try

but i still believe in all of my dreams  
And all that i can be  
illl learn from mistakes do all that it takes  
to make it eventually  
coz i still believe in me

Ill find an unbreakable heart  
to help me get through this far  
and i swear ill never rest  
till i am standing up there with the very best

no one knows no heart  
that wont break and  
some times its a heartache

but i still believe in all of my dreams  
And all that i can be  
illl learn from mistakes do all that it takes  
to make it eventually  
coz i still believe  
i still believe  
i still beleive in me

but i still believe in all of my dreams  
And all that i can be  
illl learn from mistakes do all that it takes  
to make it eventually  
coz i still believe  
still believe  
yes i still believe in me
