Fame, Save My Soul

Oh yeah

I've been running 'round
I've been fooling myself all the time
Oh yeah
Ending up with questions
Not finding any reasons or rhyme, oh

Cause living here without you
Is so impossible to do (yeah, yeah, yeah, yeah)
I've been running round
I've been fooling myself all the time

Save my soul (save my soul)
I'm dying here without you
Save my soul
Don't want to lose it when it's coming my way

Take me to your heart
To the only place I really belong
Take me as I am I'm not perfect
But your love makes me strong

Cause living here without you
Is so impossible to do (yeah, yeah, yeah, yeah)
Take me to your heart
To the only place I really belong, yeah

Save my soul (save my soul)
I'm dying here without you
Save my soul
I don't want to lose it when it's coming my way

You're the reason for me to believe in love at all
So don't let me fall

Save my soul (save my soul)
I'm dying here without you
Save my soul
I don't want to lose it when it's coming my way

Save my soul (save my soul)
I'm dying here without you
Save my soul
I don't want to lose it when it's coming my way

(Save my soul)
Now won't you save my soul
(Save my soul)
Yeah, yeah, yeah, yeah
(Save my soul)
Oh, tonight
