

# Family Force 5, Drama Queen

Chicka-pow! Don't shoot me down  
Oh no! How low can you go

Driving fast to get to work  
Queen is there just being a jerk  
Running her mouth a million miles an hour  
She's talking trash  
It's going sour  
That stuff that makes you hurt  
Cut you down, make you hit the dirt

Say, She's got that DIVA thing  
That D-I-V-A diva thing  
Sing

Why can't you say ur sorry?  
For treating me so naughty  
Just want an apology  
Is that against ur personal theology?  
What'd I do to deserve this?  
How'd I get on ur bad list?  
Just want to make it right  
Please Queen Please  
Let's not fight  
Let's not fight, Let's not fight, I don't wanna fight tonight  
You had ur chance to right ur wrong  
Can't we all just get along?

(Chorus)  
You go and talk behind my back  
Don't you know that's whack  
It's a personal attack  
Oh snap  
Some friend you are to me  
Ur Miss Personality  
Are you blind to see?  
Ur such a Drama Queen

Fresh off the chopping block  
She cut me deep and it hurts a lot  
She hit me with her best shot  
And never gave a second thought  
That's to much Drama for me mama  
Why do you like to stir it?  
When I am near you throw fits  
You cry Oh me me me  
Ain't you got no decency?  
You dish it out- I take it  
I wish you'd just stop fakin'  
In ur mind ur grass is green  
But I know youse a Drama Queen  
Ur such a, ur such a, ur such a Drama Queen

(Chorus)  
You go and talk behind my back  
Don't you know that's wack  
It's a personal attack  
Oh snap  
Some friend you are to me  
Ur Miss Personality  
Are you blind to see?  
Ur such a Drama Queen

She's a Drama Queen if you know what I mean  
She'll get under ur skin and make you scream  
Owww, Drama Queen  
I need a vaccine cause you so mean  
You got a disease I don't need and it pays no heed to get it  
So better quit it  
Cause a friend in need is a friend indeed and you ain't that  
Youse a Drama Queen

Emphatic, Dramatic, ur like a psychosomatic  
Ur always so problematic  
Ur drama is cinematic  
There's no comparison to the damage you've done  
But you've only begun with ur hit and run's

(Chorus)

You go and talk behind my back  
Don't you know that's whack  
It's a personal attack  
Oh snap  
Some friend you are to me  
Ur Miss Personality  
Are you blind to see?  
Ur such a Drama Queen
