Shake your body now lose control
Just Move it, Lose it

You got to rock 'n' roll
When you enter through the door
It's time to lose control
So let your body know
Let the beat hit your soul
While the feet can work the floor
Makin people say whoa
That fool puts on a show

So whatcha gonna do with it
Do whatcha gonna do with it
Tell me something how you gonna move with it
Showing everybody how you move with it

So whatcha gonna do with it

Make all the young people scream
The paparazzi think I'm foxy
When I pop 'n' lock see
I make a big scene

Whatcha Whatcha gonna do with it

Stay fly with ya black hair dye
Just rock to the beats of the
