

Fanmail, Genny

there is something that i'd like to say
but i'm running in my brain
and my mouth is stuck on walk

there is one thing that is true
that i fell in love with you
and that's alright

i can't sleep at night
wide awake i'm waiting for here for you
just one more day
i'll be the man that god has made for you

wedding bells are ringing
i can see the light
wedding bells are ringing
you by my side

there is one thing that i'd like to ask
but my hands are kinda sweaty
and my heart beats so fast
throw the question right your way
Genny will you marry me
can't you see

i can't sleep at night
wide awake im waiting for here for you
just one more day
i'll be the man that god has made for you

wedding bells are ringing
i can see the light
wedding bells are ringing
you by my side

you by my side
