

# Far-less, A Surprise Funeral (For The Charmed)

You see it's coming  
But you can't look past it  
You know it's useless  
But you keep on asking  
So take the time  
And take the life I've been given  
I need a different rhythm

We, we all, we all belong down here

I get this feeling I have lost all feeling  
Sneaking suspicion that you're very cunning  
Add up these bodies  
You got nothing to show for  
And insatiable hunger

It all happened so fast  
But nothing ever came of it, not yet  
Soon enough you're forgotten  
I couldn't wait to bury this

I don't want to die  
On this side of my country all alone  
I am much stronger in the face of hell from home

When I was just a bag of bones  
I ran away from home  
Uh oh, I've got nowhere to go  
And as we slowly stroll  
Along sacred alleys of the charmed  
Uh oh, I think we've come too far  
When I was just a bag of bones  
I ran away from home  
Uh oh, I've got nowhere to go

I let the monster out of its cage  
To sing me a song  
I let the monster out of its cage  
And now it's gone  
Oh yeah, she's gone
