

Faron Young, Trail Of Tears

(Alex Zanetis)

I'll leave the trail of tears behind me
And hope that someday you will find me
Through long and lonely years
I'll leave an endless trail of tears.
I'll search for love for someone new
The whole of my life I'll find no one like you
Until the day when you are near
I'll leave an endless trail of tears.
I'll search for love for someone new
The whole of my life I'll find no one like you
Until the day when you are near
I'll leave an endless trail of tears...
