Four THRASH maniacs  
Following the laws of satan  
Baptized in fire

Demon's command our conspiracy  
Against all the false bastards  
Love for metal and evil  
Are united in our blood

The brutality of the old school  
Raises the pentagram  
We are the worst nightmare  
In shape of metal

Our stage fo blood and bones  
Is the most beautiful scenery of destruction  
We show you the ritual of evocation  
Of the beast
