

# Fatal Flowers, Here's Your Song

I love the way you play that guitar  
Just keep it goin' and you'll be a real star  
And one of these days give or take a year  
We'll reach for the top, have another beer

I love the way you play those tunes  
Just keep it goin' and we'll be there real soon  
Your last song it made my wife cry  
Just write me another and we'll reach for the sky

Well how do you like it so far now  
Do you think it's alright could it please the crowd  
Do you think it's ok, hey mr. DJ you wanted a song  
Well have it your way (cause)

Here is your song, I'm sure you know what to do with it  
I'm sure you'll find some space for it  
Just p p p put it up your emulator

Well here it is, a nice bridge, cute vocals and all  
There's only one thing that we miss  
C'mon give me a little rock & n roll guitar
