

Fatboy Slim, Bird Of Pray

Bird of pray, bird of pray
Fly in high, fly in high
Bird of pray, bird of pray
In the summer sky, fly in high
Fly in high, fly in high
Take me on your fly, fly in high
Fly in high
Bird of pray, bird of pray
Fly in high, fly in high
Bird of pray, bird of pray
In the summer sky, fly in high
Bird of pray, bird of pray
Jump me pass apart, fly in high
Fly in high
Bird of pray, bird of pray
Fly in high, fly in high
Bird of pray, bird of pray
Jump me pass apart, fly in high
Fly in high, fly in high
Fly in high, fly in high
Fly in high, fly in high
Take me over side, fly in high
