Fatboy Slim, Demons

They say she had a heart attack I think the preacher's coming back And I'm frying 'cos all my love's electrifying And I'm comfy like a cess-pool Wanna be with you And it's my premonition I better give my heart a listen And my preacher say All of your demons will wither away Ecstacy comes and they cannot stay You'll understand when you come my way 'Cos all of my demons have withered away They said he shook himself to death I wanna dance 'til my last breath But mister disco only parties hard in Frisco And I'm comfy like a cess-pool Wanna be with you And it's my premonition I better give my heart a listen And my preacher say All of your demons will wither away Ecstacy comes and they cannot stay You'll understand when you come my way 'Cos all of my demons have withered away
