

Ahhhhhhhhhhhhhhhhhhhhhhhhhhhh,  
Wah Yeah, Talking Bout My Baby,  
Talking Bout My Baby,  
When She Go Walking Down Bourben Street,  
I Just Can't hardly stand to Walk Behind Her,  
She Got Red Hotpants On,  
She Got On A Low-Neck See Through Blouse With No Brassier On,  
She Shaking Like Two Big Old Balloons In A Hurricane,  
She Got A Purple Afro,  
She Got Her Hand On Her Hip,  
Lettin' her back bone slip  
Battin' Her Eyes  
Battin' Her Eyes  
Battin' Her Eyes  
Looking Straight At Me Yeah,  
She's Battering Her Eyes  
And Looking Straight At Me With That Sassy Saucy Look On Her Face,  
She's Beside Me,  
I Wanna Go Out On A Picnic With You Baby,  
Out Under The Big Bright Yellow Sun,  
She Said I Wanna Go Out On A Picnic With You Baby,  
Out Under The Big Bright Yellow Sun,  
Out Under The Big Bright Yellow Sun,  
Out Under The Big Bright Yellow Sun,  
Out Under The Big Bright Yellow Sun
