

Fate, State Of Violence

I don't support
This state of violence
I need to scream
Loud my convictions

I refuse it
Noise is my violence
I fight for peace
Words are my weapons

No solution
Kids play with with guns
No control
They shoot when they want (to)
Early warrior
Allowed to kill ?

Life or death
F**king game with no rules
U.S.A.
(In) God you trust (but) children die
