

# Fats Domino, Bye Baby, Bye Bye

You used to fly low  
But now you're flying high  
But what goes up must come down  
That's why I'm leaving this old town  
So bye bye, bye baby, baby bye bye

You know me, me no good in your heart  
That's why I'm singing this song  
Bye, bye, baby bye bye  
You don't want me around  
That's why I'm leaving this old town  
So bye bye, bye baby, baby bye bye

Bye bye, bye baby, baby bye bye  
So long, so long baby, baby I must go  
You know you told me, you don't want me, anymore  
You told me to pack my clothes  
You told me to hit the road  
So bye bye, bye baby, baby bye bye  
Bye bye, bye baby, baby bye bye  
Bye bye, bye baby, baby bye bye  
Bye bye, bye baby, baby bye bye
