

# Fats Domino, Im Walking

I'm walkin'  
yes indeed  
I'm walkin'  
by you and me  
I'm hopin  
are you come back to me  
I'm lonley  
yes I can be  
I'm waiting for your company  
I'm hopin are you came back to me

What you gotta do with the where run dry  
You gonna roll as we and high  
I'm gonna run back by your side  
For you keep baby an evil dry

I'm walkin'

I'm talkin'

I'm hopin  
are you came back to me

I'm walkin'

I'm talkin'  
by you and me  
I'm hopin  
are you came back to me
