

# Fatso Jetson, Let's Clone

She's dark black eyes  
She's living with disease  
Breaking laws of nature  
In various degrees

Woo-he-hoo  
Woo-he-hoo  
Woo-he-hoo  
Woo-he-hoo

It's the so-called static  
Then returning to the loop  
She's sinking in coils  
She's the vacuum tube  
She'll give it all to science  
Experimental drone  
? results  
In various forms

Let's clone  
Let's clone  
Let's clone  
Let's clone  
Let's clone!

She's generating nightmares  
She's gonna get her fix  
What a wonder world of wonder  
She's pulling test tube tricks  
What a wonder world of wonder  
She's pulling test tube tricks  
What a wonder world of wonder  
She's pulling test tube tricks

Woohoo woo-he-hoo  
Woohoo woo-he-hoo  
Woohoo woo-he-hoo

Let's clone  
Let's clone  
Let's clone  
Let's clone  
Let's clone!

She's antimatter  
With the X-ray eye  
If we can't be gods  
Well you know we gotta try

Let's clone  
Let's clone  
Let's clone  
Let's clone  
Let's clone!
