

# Fatty Koo, G'on Girl

[Intro:]

She was 5'6&quot;, brown eyes, sexy toes &amp; i liked her smile.  
Yes she was.  
Nice thighs, i won't lie, and the big ole jelly ass.  
And the way she danced, she turned all the boys in the room crazy.  
G'on girl, let me see you do the dance, do the dance for me.

[Chorus:]

G'on girl, let me see you do your thing.  
Get your ass on the dance floor, let me see you do your thing.  
G'on girl, let me see you do your thing.  
Get your ass on the dance floor.  
G'on, go'on, go'on girl.

I want to see the sweat dripping from your body, and i want to feel your heart vibrating my body.  
Move to the rhythm of the jamming, jumping, funky band and hear the last call for everyone to go.  
So.  
Come on, come on, come on, come on, come on, the dance floor's filling up so come on, come on.

[Chorus]

G'on girl, let me see you do your thing.  
Get your ass on the dance floor, let me see you do your thing.

[2x]

G'on, go'on, go'on girl.  
Boy, can i come get with you?  
Said, i want to make bump all night.  
When you move in slow motion, baby, send chills all through my body.  
You got that gushy stuff that i want, i got to have you baby.  
I feel it in my hands, i feel it in my feet, i feel it taking control of me.

[Chorus]

Come on, come on, come on, come on, come on, the dance floor's filling up so come on, come on.

[Chorus]
