

Faydee, Sun Don't Shine

I need, I need you

That's a Friday night
And I'm not in the mood
I'd rather be with you tonight

Summer's here to stay
But I'm not doing fine
Cause the Sun doesn't shine always

Sun Don't Shine
Sun Don't Shine
Sun Don't Shine

I could have it all
Nothing ever matters when you've gone

Sun Don't Shine
Sun Don't Shine
Sun Don't Shine
