

Faye Webster, But Not Kiss

I want to sleep in your arms but not kiss
I long for your touch but don't miss
Don't want to regret any of this

Yeah, yeah
Yeah, yeah
Yeah, yeah

I want to see you in my dreams but then forget
We're meant to be but not yet
You're all that I have but can't get

Yeah, yeah
Yeah, yeah
Yeah, yeah

I hope you're okay but I won't ask
If you're in a good place I won't mess with that
But I'm here when you need I always have

Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
