

Fear Factory, Dark Bodies

Dark bodies floating in darkness
No sign of light ever given
Imprisoned in a world without a memory
Unconscious, or am I conscious?
Cut from the heart I am part of
Sometimes it feels as though I'm frozen in heaven
And I saw my own face in the black lonely space
Like a spark frozen grey
Floating away [x2]
In dreams I see myself flying
Closer to the sun and I'm climbing
Tried to touch the sun
But the brightness burned my eyes
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes it feels as though I'm frozen in heaven
And I saw my own face in the black lonely space
Like a spark frozen grey
Floating away
And I saw my own face in the black lonely space
Like a spark...
My mind was so dark...
My life was so dark...
My mind was so dark...
My life was so dark...
Everything was dark
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in Heaven
And I saw my own face in the black lonely space
Like a spark frozen grey
Floating away [x2]
And I saw my own face like a spark...floating away
