

Fear Factory, Edgecrusher

Conceived in a hell beyond your depth of perception
Chaotic case of conquering domination
Psychopath snaps fired chains of imprisonment
A bludgeoning force that's undermining the government

Inflict strain upon the structure
Collapsing below my pressure
Inflict strain upon the structure
Collapsing below my pressure

Break of the Edgecrusher...

The purist, non-conformist, jaded subhuman terrorist
From flesh to steel and blood to blade I fight to exist
A rival of justice, extreme rush of hatred
Survival in a twisted world where nothing is sacred

Inflict strain upon the structure
Collapsing below my pressure
Inflict strain upon the structure
Collapsing below my pressure

Break of the Edgecrusher...
