

Fear Factory, Invisible Wounds

Dark bodies floating in darkness
No sign of light ever given
Imprisoned in a world without a memory
Unconscious, or am I conscious?
Cut from the heart I am part of
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness
And I saw my own face like a spark frozen in heaven

In dreams I see myself flying
Closer to the sun, and I'm climbing
Tried to touch the sun
But the brightness burned my eyes
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness
And I saw my own face like a spark

Dark
My life was so dark...
My mind was so dark...
Everything was dark

Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness
And I saw my own face like a spark frozen in heaven
Dark bodies floating in darkness...
