

Fear Factory, New Breed (Spoetnik Mix)

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are immune to life itself

Cold rules of reality

We have control of destiny

We have control of what's to be

Born, bred, beaten

Born, bred, beaten

Born, bred, beaten

Born, bred, beaten

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future

We are the new breed

We are the future
