

Fear Factory, New Messiah

The future begins now!

Hour of change, elimination
Eyes of disdain, cruel exploitation
Chaos and bloodshed dominate
Chaos and bloodshed, cause of hate
A new messiah, another lie
A new messiah to be denied

Culture deceit, discrimination
A cross to bear, every religion
Chaos and bloodshed dominate
Chaos and bloodshed, cause of hate
A new messiah, another lie
A new messiah to be denied

Future begins now!

Who will be the chosen ones
To be aware and transcend
Who will be the chosen ones
Living in a world without end?
A new messiah, another lie
A new messiah to be denied
