Fear Factory, Only If I

Written &amp; composed by Bergwall, Kings &amp; Olsson

Happy days pass by much faster
As every single moment that I spent with you
Somehow we let our feelings die
Slipping away without a try
Bring me back to when we met
Let's start all over

Chorus
If I could turn back time I know I'd
Do it again - Do it all again, oh
'Cause you were the summer of my life
Only if I
Could turn back time I know I'd
Give it again - Give my love again, oh
Memories that keep me warm inside
Only if I

Could seize yesterday tomorrow
And say the things
You've never heard from me before
I could have loved you once again
Only a heart cannot forget
Bring me back to where we met
Let's start all over

Chorus
