Fear Factory, Remanufacture (Edited Version)

Desensitizied by the values of life. Maligned and despaired by government lies.

Revenge, so strong, taste it, on my tongue. My gun, will be, Your angel of mercy. I've got no more goddamn regrets. I've got no more goddamn respect.

I've got no more goddamn regrets. I've got no more goddamn respect.

Revenge, so strong, taste it on my tongue.
My gun, will be Your angel of mercy.
I've got no more goddamn regrets.
I've got no more goddamn respect.
I've got no more goddamn regrets.
I've got no more goddamn respect.
I've got no more goddamn respect.
[regrets] I've got no more [respect] goddamn regrets.
[regrets] I've got no more [respect] goddamn respect.
