

# Fear Factory, Replica

Ha!

There is no love  
I am a duplication  
Innocently  
I was conceived  
So violently  
There was no love  
There was no love for me  
There was only hatred

I am rape  
I am hate  
I am rape  
I am hate

Every day I feel anonymous hate  
Forever in the shadow of disgrace

I am rape  
I am hate  
I am rape  
I am hate

Filled with pain  
A bruised and darkened soul  
Spare me from the  
Life that's full of misery

I don't want to live that  
Way  
I don't want to live that  
Way

There is no love

Every day I feel anonymous hate  
Forever in the shadow of disgrace

I am rape  
I am hate  
I am rape  
I am hate

Filled with pain  
A bruised and darkened soul  
Spare me from the  
Life that's full of misery

I am so filled with pain  
A bruised and darkened soul  
Spare me from the  
Life that's full of misery  
I don't want to live that  
Way  
I don't want to live that  
Way

I am so filled with pain  
A bruised and darkened soul  
Spare me from the  
Life that's full of misery

Spare me from the

Life that's full of pain  
Spare me from the  
Life that's full of pain

I don't want to live that  
Way  
I don't want to live that  
Way
