

# Fear, Foreign Policy

Elimate the incompetents!  
Differences don't exist in harmony!  
Survival is superiority.  
We don't need no hands across the sea!

We've got...

Foreign policy [x3]

The lines are drawn!  
Establish the new order!  
Suspect everyone  
Know your enemies! Know your enemies!

We've got...

Foreign Policy [x3]

Hatred is purity!  
Weakness is disease!  
Where we bury you  
It's manifest destiny!

We've got...

Foreign Policy [x3]
