

# Fear, Fresh Flesh

Fresh flesh, slingin' down your street.  
Fresh flesh, won't you eat my meat?  
Fresh flesh, oozin' through the slime,  
Fresh flesh, and the city's mine!

Fresh flesh! [x2]

Under the subway ditch,  
Shoot down some old bitch!  
With nothin' else to do,  
I just might you.  
If you get in my way,  
I cut your leg off, pay!  
Drop you off downtown,  
watch you crawl around!

Fresh flesh!  
Fresh flesh!

I wanna fuck you to death,  
I don't wanna smell your breath.  
Piss on your warm embrace!  
I just wanna cum in your face!  
I don't care if you're dead,  
and I don't care if you're erect!  
I don't care if you're all cut up -  
blood on your dress!

Fresh flesh!
