

Fear, I Don't Care About You (live 1986)

Down on South Street Philadelphia,
Out from Avenue C,
I seen it in the eyes
it was ready to freeze
from the valley hotel!

I don't care about you!
Fuck you!
I don't care about you!
Fuck you!

I see Hollywood boulevard,
welfare hotel,
I spent the night in jail,
near the Wicox hotel!

I don't care about you!
Fuck you!
I don't care about you!

I've seen an old man have a heart attack in Manhattan.
Well he just died while we just stood there lookin' at him.
Ain't he cute?

I don't care about you!
Ohhhhhhhhh!
I don't care about you!

I see man rollin' drunks,
bodies the streets.
Some man was sleepin' in puke
and a man with no legs crawling down 5th street trying to get something to eat!

I don't care about you!
Oh noooooo!!
I don't care about you!
Fuck you!
I don't care about you!
Hey! Hey!
I don't care about you!
